

The The Sessions

Original title: De Sessies

The Sessions is an intimate documentary following a young student in the aftermath of sexual violence by her ex-partner. In trauma therapy, she begins to reclaim her life—step by step. Outside those rooms, she speaks to almost no one. When she files a legal complaint, she faces a justice system that survivors often find hard to navigate. With intimacy and restraint, *The Sessions* pulls you into one woman's fight to reclaim her voice and future.
