

The Tie

Original title: The Tie

A small giraffe roams a barren planet, ignored by the taller giraffes. Then he meets a giraffe with a long neck, wearing a very long tie. He starts to climb up the tie and the two play together, the little one swinging on the tie. But suddenly, a malevolent cloud appears and rips the tie in two, trapping the tall giraffe inside. Finally, the other giraffes help the small one to build a ladder so he can return his part of the tie. Instead, the tall giraffe turns the tie into a bow-tie propeller. The small giraffe frolics in the air with the tall one, unaware that their reunion will be short-lived...
