

The Twelve S02

Original title: De Twaalf S02

The Twelve is a character-driven crime series which revolves around a jury of a murder trial. Twelve citizens are called up for jury duty on a controversial murder case. As time goes by, the trial becomes an ordeal not only for the accused but for the jury members themselves. This second season tells a different story: Anton and his daughter Julie are charged with the murder of Anton's new partner. Yet Julie claims to have acted alone, and he shouts out his innocence. However, the public prosecutor's office believes that she is protecting her father and that they committed the crime together.
