

The Wire

Original title: The Wire

By constructing a steel fence through the beautiful Kupa region, Slovenia made Croatia a somewhat unwilling buffer for the influx of refugees trying to reach Europe from Bosnia. Because of the fence, tourism collapsed and many new dynamics were generated. The region has now become a focus for extreme right nationalists, human rights activists, politicians, police and border forces, as well as migrants and refugees trying to reach Europe.

CREDITS

DIRECTOR: Tiha Gudac

PRODUCER: Frederik Nicolai

WRITER: Frederik Nicolai, Tiha Gudac

EDITING: Thijs Van Nuffel
