

# The World Belongs to Us

Original title: Le monde nous appartient

One night on a bridge, a young man sits alone. Despite his bloody hand, he seems serene. A few meters away, paramedics are carrying off a body wrapped in white plastic. The young man is named Julien. He is a professional football player who lives with his father, a fireman. We also follow the path of young rebel Pougá, who dreams of living the high life. Even though they do not know each other, fate will force their paths to cross.
