

Thom & Stoffel

Original title: Thom & Stoffel

Thom's best friend is Stoffel, an old shetland pony. Everywhere Thom goes, Stoffel follows behind him. His father provides therapy with horses to children who are different, like Thom. He will be 10 years old soon and is growing very fast. Stoffel is 25 years old and won't grow anymore. Can Thom continue to ride Stoffel now that his legs have grown so long? Or should he choose a bigger horse?
