Original title: To kill or not to kill

Jan and his wife Simone are living peacefully on a little farm in the countryside. The passion between them seems to have vanished some time ago. One day Jan's brother Tony, who fled to Sicily years ago, pays them an unexpected visit. Jan doesn't trust this and wants to find out what Tony is up to this time. He sends Simone to question and distract Tony while he checks his luggage. But Simone finds an unexpected chance in Tony's visit to make Jan jealous again...
