

# Touching Infinity

Original title: Touching Infinity

Rebecca, Fernand and Delphine know the end is near. Dying has become a part of their daily lives. **Touching Infinity** captures their last weeks. Beyond the fear and sorrow, they take us on a journey, carried by love, gratitude and deep connection. Without denying how serious the topic is, **Touching Infinity** is a film about hope and lightness during the final stages of life. From the maker of 'feel my love' comes an exceptional, warm film about the comforting beauty and power of saying goodbye.
