

# Two Ice Creams Please

Original title: Two Ice Creams Please

Misha and Billie arrive in a small village on the edge of the rainforest, ready for a short walk to a waterfall. When Misha sees a strange monkey along the way, they impulsively leave the path and soon get lost. They spend the night in the jungle, where Misha is plagued by dreams and hallucinations. Days pass and tension mounts: Billie is annoyed by Misha's light-heartedness. In an attempt to attract the attention of a helicopter, Billie falls from a tree and is seriously injured. Misha is swept away by a mudslide during a storm. The next morning, she washes up exhausted, right at the waterfall they wanted to visit.
