

Two Suns

Original title: Two Suns

Francesca, a Belgian photographer based in Taipei, has a dream in which her mother Sigrid dies. 10.000 km and a 6 hour time difference separates them. As she watches the Sun come up and climb higher and higher, Francesca counts down the hours before she can hear Sigrid's voice. *Two Suns* is a poetic exploration of intimacy between a mother and a daughter. A film about death in which no one dies.
