

Undercover S03

Original title: Undercover S03

In a changing world, old hands like Ferry Bouman have disappeared from the drug scene and a new type of career criminal has taken their place. The new players have learned from the mistakes of the previous generation and have become smarter, stronger and faster. But they are also more ruthless than ever. When an undercover agent is murdered in a fight against the Turkish drug criminals, the police realise that they must rethink their strategies if they have any chance of defeating the gang.
