

Unspoken

Original title: Unspoken

Five years before, 14-year-old Lisa disappeared from the lives of her parents Lukas and Grace. She vanished without a trace and without saying goodbye. There would seem to be little or no chance of her ever coming back. But then, by a strange coincidence, she comes back into their lives out of the blue. Brendan, a former friend of their daughter's, happens to pay them a visit. This is only the first in a series of odd situations.
