

Up

Original title:

A woman goes - as usual - to her work in a large anonymous building. She takes - as usual - the elevator to the fifth, the top floor. In the elevator she sees a man with strange charisma. He looks more machine than man and has an empty look in his eyes, plus one detail: a red tie. He doesn't get out on the top floor and the woman sees him disappear to a higher floor. The woman thinks this is impossible, but when the elevator returns, it's empty. The next day she encounters the man in the elevator. She wants to unlock the mystery and decides to stay with the man. The man ignores her but eventually she'll force him to reveal the secret.
