

Vacation!

Original title: Vakantie!

A man, Jef is sick and tired of everybody and everything. He decides to retire from the world from one week and takes a so-called 'vacation' in his own apartment. He shuts of the phone and eats deep-frozen pizza's every day. He drinks and thinks about his life. Will he be able to live through this hard confrontation with himself? Vacation is a tragi-comical film about loneliness and a reflection about the individual and his relationship with the world.
