

Valemon: The Polar Bear Prince

Original title: Kvitebjørn

Liv lives in a village in the Norwegian countryside, with her grandfather and sisters. She is curious and whimsical, on the threshold of adulthood. She loves nature, but dislikes the rules of society. She longs for adventure, and when she meets the polar bear Valemon, she sees a chance to escape her monotonous existence. As time passes, Liv's love for Valemon grows, but so does her curiosity. Who is Valemon really? She shares her life with him, but she is not allowed to see him once the sun has set...
