

# Vansteelant

Original title: Vansteelant

Joeri and Benny Vansteelant were not just brothers. They were training buddies, competitors, and rivals at the top of the same sport. Then Benny died, suddenly, without good reason and without a real goodbye. That goodbye comes in this documentary. Joeri writes down his thoughts and talks to his brother about what has happened in life over the past 15 years. The result is a captivating, emotional testimony from one top athlete to another, but especially from one brother to another who is no longer there.
