

Waidmannsheil

Original title: Waidmannsheil - Heil aan de goede schutter

The pomp and savagery of a Belgian hunt group is exposed in Waidmannsheil (Hail To the Good Shooter) which scrutinises, with icy detachment, the rituals of a wily group of bourgeois weekend warriors as they compete to kill deer in a pastoral landscape. They trespass the silent woods and play a strategic game in which all resources are concentrated on the capture of their treasured prey. It is a mystical experience, centred around the encounter with wildlife - a matter of pride for the man and a matter of life and death for the animal.
