Original title: Waithood

Athens, 2018. 44% of youth is unemployed. A generation lost in no man's land, wandering outside of the classroom and the labour market amid a booming sharing economy and expanding gentrification. Five youngsters avoid waiting for an empty future by seeking entertainment in the luxurious Airbnb establishments that one of them is cleaning for a meagre fee. On the rooftops they look out over a city in turmoil, daydreaming about a world of possibilities.
