

Waste Land

Original title: Waste Land

Brussels. Dealing with the capital's grim underbelly on a daily basis, taciturn homicide detective Leo Woeste lives with Kathleen and her five-year-old son. But his convictions start to crumble when Kathleen unexpectedly becomes pregnant. His very last homicide case, involving a death-obsessed dealer in Congolese cult statues, slowly drags him deeper into the wasteland, far away from his wife and his role as a father. *Waste Land* is a psychological thriller about a man and a city in crisis during the nine months of pregnancy of his wife.
