Original title: Welcome Home

Sixteen-year-old Lucas, a high-school kid, and Bert, an 18-year-old mechanic's apprentice, are childhood friends. Together, they run away from their closed family circles. Lucas finds in Bert some kind of a 'big brother', a guide who will lead him to the verge of disaster. Soon, the meaning of their trip becomes unclear. Return to the fold? Keep on going? The logic of their drifting urges them to go further and further...
