

What's Inside That Crate?

Original title: Wat zit er in die kist?

A story about a pilot, a captain, a train driver, a van driver, a mailman, a girl... and a giant crate. What's in the crate, the giant crate that the pilot brought with him from a country, far, far away? Probably an elephant, the captain thinks, and very carefully he loads the crate onto his ship. The ship bobbles and wobbles on the high seas. A strong gust breaks open the walls of the crate. And what's in the crate? Another crate!
