

# When We Lost To The Germans

Original title: Toen we van de Duitsers verloren

It's the day after West Germany beat the Netherlands in the 1974 soccer World Championship final. Amsterdam has a hangover, so 12-year-old Jonas and 13-year-old Daan have nothing to do but loaf about. Jonas' best friend Karsten has returned suddenly from holiday, to be questioned by the police. Does he know something about Catootje, a girl who went missing five days ago? They stroll through their neighbourhood, find an antique dish on a piece of wasteland and watch police divers drag a nearby pond to no avail. The mystery of the girl's disappearance clouds the day. Will Catootje return?
