

Winter in Wartime

Original title: Oorlogswinter

Nazi-occupied Holland, 1945. In a snow-covered village, 13-year-old Michiel is drawn into the Resistance when he aids a wounded British paratrooper. Michiel's boyish sense of defiance and adventure soon turns to danger and desperation, as he is forced to act without knowing whom to trust among the adults and townspeople. Wartime's harsh reality encroaches on childhood innocence as Michiel confronts good and evil, courage and duplicity and his own burden of responsibility. Based on the novel by Jan Terlouw.
