Yichalal, It's Possible!

Original title: Yichalal

Filip Lenaerts travels to Addis Ababa, Ethiopia, to visit a circus school where street kids are trained to become acrobats and jugglers and is struck by Jemanez, a girl in the new class, who has a real talent. But one morning a sickly woman is standing at the school gate: it's Jemanez's mother. She has AIDS and asks for her daughter to accompany her on a voyage to her home village. Jemanez leaves school and disappears and the reporter tries to trace her.
