

Your Rider Is On The Way

Original title: Uw rider is onderweg

Riders Luc, Gloria, Rahim, Akira, Wolf, Leo and Zohra meet every day at the same spot. Luc, a financial manager on sabbatical, has a crush on Gloria, who hopes for her big acting breakthrough. Rahim's dream is to become a manager, while Zohra trains non-stop to get into the finals of her favourite game. Akira is a working student and the bike repairer of the group. Wolf and Leo started 'Woleo' together and want to become famous with their own rap songs. And then there is 'Iris', the elusive employer who's never held accountable. The whole group occasionally feels used by the system, but dare not rebel because everyone needs the money.
