

# YURI and the Frustration Of Our Ponies

Original title: YURI and the frustration of our ponies

Yuri is a refugee from Chernobyl who bakes bread in his anonymous apartment. His customers are on the fringes, just like him. He searches for answers, for meaning, for the red dot saying 'you are here'. Yuri, the warrior of the small gesture. His world is disrupted when he meets Angelique and the dot becomes tangible flesh. YURI explores the extremes that life can bring.
