

Zillion

Original title: Zillion

Businessman and computer genius Frank Verstraeten loves techno music and the nightlife. He also has an unhealthy obsession with proving himself. When he starts his very own mega-nightclub, called Zillion, the place instantly becomes a massively popular party venue. The alliance Frank forges with porn king Dennis Black Magic gives the place a tough edge. On his way to the top, however, Frank makes enemies – both within the police and the local mafia.
