

# Zillion

Original title: Zillion

***Zillion* is a fast paced, sexy crime story set to a thumping soundtrack of 90's dance music. A rise-and-fall story of the country's biggest disco ever. The story of a self-made man who, ultimately, is the architect of his own downfall. In an age when 'the sky was the limit', in a universe where sex and drugs, techno and loads of money circulated freely, the protagonists go in search of fame and kicks, alongside respect and love. The stuff money can't buy...**
