

Zodiac

Original title: Zodiac

Thomas, who is entangled in a break-up, is invited by Louis to join a sea fishing trip. But he gets little support from his friend. In mid-ocean, they encounter seven refugees whose boat has developed engine trouble, putting Louis in a dilemma and disturbing the dynamic between the two differently minded friends. Louis fixes the engine, but with bad weather forecast he strongly advises against continuing the crossing. His advice is ignored, both by the refugees and by Thomas.
