

# Zoltan

Original title: Zoltan

Zoltan is a Rottweiler who has to live with an aggressive boss John. John is a fringe figure who uses the dog as a status symbol. The film tells a dog's life in a hostile world through the eyes of an absolute peaceful domestic animal with a bad name. Zoltan is besides film with a very actual moral theme also and especially a sensory perception with a strong visual and sonorous tingling, and has a suprisingly and funny metaphysical tail.
