

Zuidflank

Original title: Zuidflank

After working as a crop duster in South Africa for 10 years, Rob Vandenberg returns to Belgium to bury his father. He inherits the 'Zuidflank', a fertile piece of land in the region of Limburg known for its exquisite Chardonnay wines, and decides to stay and cultivate his own vineyard. But that doesn't go down well with Mark, a former friend and a successful wine grower himself. Driven by power and the desire to outdo each other, their animosity reaches a climax.
